documentation related to the  
HMA/CWD field of practice

The main search area is titled 'Global CWD Repository' and contains fields for 'Enter search terms' (with a dropdown for 'In This series'), 'Advanced Search', and 'Notify me via email on RSS'. To the left, a sidebar titled 'Search' and 'Browse' lists various categories like 'Collections', 'Disciplines', 'Authors', 'SearchTools/Help', 'Author Corner', 'Author FAQ', and 'Other JMU Repositories' (including HDO, JMUTube, and JMU Special Collections). The main search area also includes sections for 'Title' (with a note to use title case), 'Authors' (with a search field for 'Search For An Author Using: Last Name, First Name, Email, or Institution'), 'Document Type' (with a dropdown set to 'Article'), 'Publication Date' (with a date selector for 'Season', 'Month', 'Day', and 'Year'), 'Keywords' (with a note to separate with commas), and 'Disciplines' (with a note to indicate academic disciplines).
